Zugspitze meets castle

After the start, we head straight towards Reutte, past the western bank of Lake Plansee towards Ehrwald.
We climb ever higher and fly over the Zugspitzblatt past the Schneefernerhaus,
provided there are clouds and wind. After the north degree we descend with a view of
Garmisch Partenkirchen and the Eibsee. Past the eastern shore of Lake Plansee,
we head straight to Füssen and Neuschwanstein Castle. Then head for Pfronten and towards
Kempten with the destination Leutkirch, our starting point.

Your favored route can be discussed on the airport directly with the pilot. This depends on the weather and of course aviation safety, otherwise the pilot attempts to fulfill your wishes in compliance with the flight time.

Duration of the experience:
The flight time is 70 minutes.
