The new Berlin City sightseeing flight

The Berlin City sightseeing flight offers an incomparable experience that allows you
to discover the German capital from a bird's eye view.
The flight starts at Strausberg airfield, northeast of Berlin. If you have booked the premium service,
you can relax in the VIP waiting area, enjoy a glass of Prosecco or a soft drink and watch the
Eurocopter EC130 take off and land.

After a short safety briefing, it's off. The Eurocopter takes off and flies towards the center of Berlin.
Shortly after takeoff, you will see the Strausssee and after reaching an altitude of 600m,
the panorama of Berlin opens up. The sightseeing flight takes you along the Hoppegarten racecourse,
the zoo, over the historic Stalin Allee and the East Side Gallery,
the longest open-air gallery in the world. You fly past the geographical center of Berlin and have a
breathtaking view of the city - from the TV tower over the Straße des 17. Juni to the radio tower.

The view of the Victory Column is particularly impressive; its golden angel seems to float in the sunlight.
You can discover other different districts of Berlin, from Prenzlauer Berg to Spandau, from Kreuzberg

to Marzahn. New perspectives and well-known sights alternate as you experience the capital from a
completely new perspective. Finally, you turn a corner and fly back to Strausberg at 200 km/h.
