The Waterfalls and Valleys tour has three main attractions - the grandeur Glymur Waterfall, the UNESCO World Heritage Site - Þingvellir National Park and the Hengill Geothermal Area where we land.

Already during the flight over Reykjavik you can see the nearby mountain chain around the mountain Esja. Further, Glymur, the magnificent and second largest waterfall in Iceland, as well as the Þingvellir national park will fly over. It is located away from any civilization in the Hengill geothermal area, in a valley with natural hot springs and mud pots.

Sights: Glymur Waterfall, Þingvellir National Park, Hengill Geothermal Area, Hengill Volcano, Nesjavallavirkjun, Hellisheiðarvirkjun, Bláfjöll Mountain Range, Reykjavik City, Kristnitökuhraun Lava Field and Craters, Esja

Minimum 3 people.

Duration of the experience:
The flight time is approx. 40-60 minutes. Total approx. 70-90 min. incl. landing on an old volcano
