Experience a helicopter landing at 3,000 m above sea level. We fly over the Glarus Alps to the eternal ice. You have as much time as you want for photos and to enjoy the breathtaking panorama. Return flight via the tectonic Arena, Geopark Sardona (UNESCO World Heritage Site) to the Tschingelhörner with the Martinsloch. A scenic flight full of highlights.

After an impressive alpine flight from Balzers you will land by helicopter on a glacier (Hüfigletscher). Here, on ice and snow, in the midst of the beautiful Swiss Alpine landscape, we serve you an aperitif (only private flights). After a stay of about 20-30 minutes we will fly you back to the heliport in Balzers.
