Take off, experience and enjoy a scenic flight over Donauwörth and the region around Donauwörth from the airfield Genderkingen.

You fly over Donauwörth, whose romantic cityscape is dominated by the Danube, which meanders through the city. So the pilot can show you the imposing seat of the largest helicopter manufacturer in Europe, as well as e.g. the Harburg or parts of the natural park Altmühltal.

The route can be discussed on-site with the pilot and the passengers involved. This depends on the weather and of course the flight safety, otherwise the pilot will try to fulfill your wishes in compliance with the flight time.

Duration of the experience:
The flight time is 20 minutes.
