No previous experience is necessary! A professional instructor is there to help.

Once to be a pilot himself and control the helicopter. A dream that not only shapes the childhood. The trial flight makes dreams come true and promises an unforgettable experience. The flight hour is similar to a helicopter training. You take personally seat on the pilot place and become on the double tax familiar with the helicopter.

recommendation:
20 min. Flight time is very short. No sooner is the engine started, must again be considered in the return already. Our recommendation: minimum 30-40 minutes trial flight.

**Duration of the experience:**
The flight time is 20-60 minutes (turn on/off the motor).
